Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers including but not limited to the following fields:

- Allograft and allotransplantation
- Autograft
- Bioethical issues
- Cadaveric (non-living) donors
- Domino transplants
- Isograft
- Living donors
- Organ trafficking
- Split transplants
- Transplant rejection
- Xenograft and xenotransplantation

We are also interested in: 1) Short Reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book Reviews—Comments and critiques.
