<http://www.scirp.org/journal/aa>

Advances in Anthropology (AA) is an international journal dedicated to reporting on the latest advances in anthropology and related disciplines. The goal of this journal is to provide a platform for scientists and academicians worldwide to promote, share, and discuss various new issues and perspectives in diverse areas of anthropology and to keep a record of the newest methodological and theoretical developments in the discipline.

Subject Coverage

The journal publishes original papers including, but not limited to, the following subfields of anthropology:

- Anthropometry and anthroposcopy
- Bioarchaeology
- Cultural anthropology
- DNA genealogy
- Educational anthropology
- Ethnography
- Forensic anthropology
- Historical archaeology
- Human ecology and adaptation
- Human epigenetics and epigenomics
- Human genetics and genomics
- Human origins and evolution
- Medical anthropology
- Molecular anthropology
- Paleoanthropology
- Psychological anthropology
- Social anthropology

We are also interested in: 1) Short Reports—2 to 5 page papers that report on preliminary research results; 2) Book Reviews—comments and critiques on recently published books on relevant topics; 3) Letters to the Editor—responses to previously published articles; 4) Conference Proceedings—please contact the Editor-in-Chief with a 2 page proposal.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically from the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
