### **Subject Coverage**

This journal invites original research and review papers that address the following issues in business and information. Topics of interest include, but are not limited to:

- |                                 |                           |
|---------------------------------|---------------------------|
| ◆ Data Mining                   | ◆ Investment Analysis     |
| ◆ Decision Making Process       | ◆ Knowledge Management    |
| ◆ E-Commerce                    | ◆ Process Improvement     |
| ◆ E-Government                  | ◆ Requirement Analysis    |
| ◆ Financial Analysis            | ◆ Risk Management         |
| ◆ Geographic Information System | ◆ Supply Chain Management |
| ◆ Information Management        | ◆ System Analysis         |
| ◆ Information Security          | ◆ Technology Innovation   |

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the **iB**.

### **Notes for Intending Authors**

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
