# Call for Papers

## Technology and Investment (TI)

ISSN Print: 2150-4059 ISSN Online: 2150-4067

<http://www.scirp.org/journal/ti>

TI is an international refereed journal dedicated to the latest advancement of technology and investment. The goal of this journal is to keep a record of the state-of-the-art research and promote the research work in these fast moving areas.

### Editors-in-Chief

**Dr. Lucas M. Bernard**  
**Prof. Willi Semmler**

The City University of New York, USA  
New School University, USA

### Executive Editor in Chief

**Dr. Gang Ke**

Sinophere Capital Group, Limited, China

### Subject Coverage

This journal invites original research and review papers that address the following issues in technology and investment. Topics of interest include, but are not limited to:

Banking and Investment	Investments and Economic Development
Business and Technology Risk Analysis and Management	Investments and Environment (Climate Change)
Business Climate for Investments	Investments in BRIC (Brazil, Russia, India, China) Countries
Business Cycles and Investment, etc	Investments in Developing Countries

Finance	Service Industry Economics
Financial Evaluation Models and Techniques	Technology Economics
Financial Evaluation Techniques	Technology Innovation
Financial Strategies of Investments	Technology Product Development
Industry Studies	Transition Economies and Foreign Investments
Information Economics	US Economy and Foreign Investments
Influx of Investments on Technological Development	
International Investments	

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the *TI*.

### Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
