Subject Coverage

This journal invites original research and review papers that address the following issues in Environmental Protection. Topics of interest include, but are not limited to:

- **Air pollution and air quality**
 - Air pollution monitoring and modeling
 - Air pollution prevention and control
 - Air quality measurement and management
 - Sources of air pollution
 - Urban/indoor air pollution and control
- **Environmental pollution and public health**
 - Chemical pollutants and its effects on health
 - Effects of air pollution on public health
 - Food and drug safety control
 - Global climate changes and human health
 - Land pollution and its effects on health
- **Ecosystem restoration, toxicology and sustainability**
 - Ecosystem restoration
 - Environmental toxicology
 - Greenhouse gas emission monitoring and solutions
 - Hazardous materials management
 - Radiation safety in atomic industry
 - Solid waste management
 - Sustainable development of environment and ecosystem
- **Hydrology and water quality**
 - Ground water pollution control
 - Hydrobiology and water pollution
 - Methods of monitoring water quality
 - Modeling and measuring of water pollution
- **Environment assessment and policy**
 - Environmental impact assessment
 - Environmental policy
 - Risk assessment of contaminated environments
 - Water resources and quality assessment
 - Water resource protection and sustainable use
- **Wastewater treatment and utilization**
 - New wastewater treatment technologies
 - New water purification technologies
 - Purification of drinking-water supplies
 - Treatment, disposal and discharge of wastewater

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the **JEP**.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
