## Subject Coverage

The journal publishes original papers including but not limited to the following fields:

- Acute kidney injury
- Chronic kidney disease
- Dialysis
- Genetics, pathophysiology and treatment of renal disease
- Glomerulonephritis
- Hypertension
- Renal transplant
- Renovascular disease
- Tubulointerstitial disorders
- Vasculitis

We are also interested in: 1) Short Reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book Reviews—Comments and critiques.
