Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers including but not limited to the following fields:

- Advances in Percutaneous Techniques to Treat Valvular Disease
- Cardiovascular Computed Tomography
- Cardiovascular Diabetology
- Cardiovascular Disorders
- Cardiovascular Drugs and Therapy
- Cardiovascular Electrophysiology
- Cardiovascular Engineering
- Cardiovascular Imaging
- Cardiovascular Magnetic Resonance
- Cardiovascular Nursing
- Cardiovascular Pathology
- Cardiovascular Pharmacology and Therapeutics
- Cardiovascular Psychiatry and Neurology
- Cardiovascular Radiation Medicine
- Cardiovascular Surgery
- Cardiovascular Therapeutics
- Cardiovascular Toxicology
- Cardiovascular Ultrasound
- Coronary Artery Bypass Surgery
- Current Trends in Cardiac Surgery
- Nutrition, Metabolism and Cardiovascular Diseases
- Operative Techniques in Thoracic and Cardiovascular Surgery
- Robotically Assisted Heart Surgery
- Surgical Techniques and Results
- Thoracic and Cardiovascular Surgery
- Treatment Options in Cardiovascular Medicine

We are also interested in: 1) Short reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book reviews—Comments and critiques.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
