Table of Contents

Volume 6 Number 4 March 2015

Yield and Water Productivity of Drip-Irrigated Potato under Different Nitrogen Levels and Irrigation Regime with Saline Water in Arid Tunisia

F. El Mokh, K. Nagaz, M. M. Masmoudi, N. B. Mechlia.....501

Characterization of the Causal Organism of Soft Rot of Tomatoes and Other Vegetables and Evaluation of Its Most Aggressive Isolates

A. Akbar, M. Ahmad, Azra, Neelam, S. Z. Khan, Z. Ahmad.....511

Bio-Banking on Neglected and Underutilized Plant Genetic Resources of Nigeria: Potential for Nutrient and Food Security

C. V. Nnamani, H. O. Oselebe, A. N. Igboabuchi.....518

Pig Compost Use on Zinc and Copper Concentrations in Soils and Corn Plants

J. Hirzel, I. Walter.....524

Field Efficacy of Chemical Pesticides against *Maruca vitrata* Fabricius (Lepidoptera: Crambidae) Infesting Soybean in Brazil

J. F. J. Grigolli, A. L. F. Lourenção, C. J. Ávila.....537

The Effect of Water Hyacinth (*Eichhornia crassipes*) Compost on Tomato (*Lycopersicon esculentum*) Growth Attributes, Yield Potential and Heavy Metal Levels

M. Mashavira, T. Chitata, R. L. Mhindu, S. Muzemu, A. Kapenzi, P. Manjeru.....545

Photosynthetic Capacities and Productivity of Indoor Hydroponically Grown *Brassica alboglabra* Bailey under Different Light Sources

J. He, L. Qin, Y. M. Liu, T. W. Choong.....554

The figure on the front cover is from the article published in American Journal of Plant Sciences, 2015, Vol. 6, No. 4, pp. 511-517 by Asma Akbar, *et al*.
