Journal of Human Resource and Sustainability Studies (JHRSS) is an international journal dedicated to the latest advancements related to topics of human resource, work, and ecological sustainability. The aim of this journal is to provide an outlet for researchers interested to human resource, employment, and management issues.

Subject Coverage

All manuscripts must be prepared in English, and are peer-reviewed with double-blind process. The journal expects empirical, either quantitative or qualitative, or conceptual research, and publishes original papers focusing on the following but not limited topics:

- Corporate Social Responsibility
- Educational Environment
- Environmental Behavior
- Environmental Governance
- Environmental Health
- Environmental Management
- Environmental Psychology
- Ethics in Environmental Issues
- Greening Business
- Human Resources Management
- ISO 14001 Certification
- Sustainable Development

We are also interested in: 1) Short reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book reviews—Comments and critiques.
