Subject Coverage

This journal invites original research and review papers that address the following issues in creative education. The topics to be covered by Creative Education include, but are not limited to:

Academic Advising and Counseling
 Art Education
 Blog Culture and Its Impact on Education
 Business Education
 Collaborative and Group Learning
 Curriculum Development
 Development of Learning Environment
 Early Childhood Education
 Education Administration
 Educational Psychology
 Education Policy and Leadership
 E-Learning and Knowledge Management
 Elementary Education
 Health Education
 Higher Education

Innovative Pedagogical Models
 Language Education
 Learning Systems Platforms
 Mathematics Education
 Music Education
 Quality Management of E-Learning
 Reading Skill Education
 Secondary Education
 Science Education
 Special Education
 Tasks and Problem-Solving Processes
 Teaching and Learning Technologies
 Web-Based Learning Platforms
 Other Areas of Education

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the CE.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
