Archaeological Discovery (AD) is an international journal dedicated to the latest advancement in the study of Archaeology. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of Archaeological studies.

Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers covering a wide range of fields but not limited to the following:

- Aerial Archaeology
- Archaeological Method and Theory
- Archaeological Science
- Art Archaeology
- Field Archaeology
- Historical Archaeology
- Island and Coastal Archaeology
- Maritime Archaeology
- Prehistoric Archaeology
- Religious Archaeology
- Social Archaeology
- Underwater Archaeology
- World Archaeology

We are also interested in: 1) Short reports — 2-5 page papers in which an author can either present an idea with a theoretical background but has not yet completed the research needed for a complete paper, or preliminary data; 2) Book reviews — Comments and critiques, special peer-reviewed issue for colloquia, symposia, workshops.
