Archaeological Discovery (AD) is an international journal dedicated to the latest advancement in the study of Archaeology. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of Archaeological studies.

## Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers covering a wide range of fields but not limited to the following:

- Aerial Archaeology
- Archaeological Method and Theory
- Archaeological Science
- Art Archaeology
- Field Archaeology
- Historical Archaeology
- Island and Coastal Archaeology
- Maritime Archaeology
- Prehistoric Archaeology
- Religious Archaeology
- Social Archaeology
- Underwater Archaeology
- World Archaeology

We are also interested in: 1) Short reports — 2-5 page papers in which an author can either present an idea with a theoretical background but has not yet completed the research needed for a complete paper, or preliminary data; 2) Book reviews — Comments and critiques, special peer-reviewed issue for colloquia, symposia, workshops.
