

## TABLE OF CONTENTS

Volume 3 Number 2

February 2012

### Invasive Alien Plants of Indian Himalayan Region—Diversity and Implication

K. C. Sekar.....177

### Meiotic Studies in *Withania somnifera* (L.) Dunal.: A Threatened Medicinal Herb of Indian Thar Desert

H. Ram, A. Kumar, S. K. Sharma, A. Ojha, S. R. Rao.....185

### Gene Expression Profiling during Wilting in Chickpea Caused by *Fusarium oxysporum* f. sp. *Ciceri*

G. S. Gurjar, A. P. Giri, V. S. Gupta.....190

### Elevated Carbon Dioxide Alters the Relative Fitness of *Taraxacum officinale* Genotypes

J. A. Bunce.....202

### Studies on Some Plant Extracts for Their Antimicrobial Potential against Certain Pathogenic Microorganisms

M. Sheikh, A. R. Malik, M. K. Meghavanshi, I. Mahmood.....209

### Evaluation of Synthetic and Natural Insecticides for the Management of Insect Pest Control of Eggplant (*Solanum Melongena* L.) and Pesticide Residue Dissipation Pattern

J. Saimandir, M. Gopal.....214

### The Pathogen and Wound Induces Expression of Genes Related to Proanthocyanidins (PAs) Synthesis in Cotton Leaves

C. J. Xie, D. Wang, F. Kou, D. Kang, X. Y. Yang.....228

### Evaluation of Expression Stability of Candidate Reference Genes among Green and Yellow Pea Cultivars (*Pisum sativum* L.) Subjected to Abiotic and Biotic Stress

G. C. Saha, G. J. Vandemark.....235

### Effect of Nitrogen on Yield and Oil Quality of Sunflower (*Helianthus annuus* L.) Hybrids under Sub Humid Conditions of Pakistan

W. Nasim, A. Ahmad, A. Bano, R. Olatinwo, M. Usman, T. Khaliq, A. Wajid, H. M. Hammad, M. Mubeen, M. Hussain.....243

### Variations in Carbohydrate Content and Sucrose-Metabolizing Enzymes in Tomato (*Solanum lycopersicum* L.) Stamen Parts during Pollen Maturation

E. Pressman, R. Shaked, S. Shen, L. Altahan, N. Firon.....252

### Enzymes of Phenylpropanoid Metabolism Involved in Strengthening the Structural Barrier for Providing Genotype and Stage Dependent Resistance to Karnal Bunt in Wheat

S. Purwar, S. M. Gupta, A. Kumar.....261

### Regio- and Substrate-Specific Oxidative Metabolism of Terpinolene by Cytochrome P450 Monooxygenases in *Cupressus lusitanica* Cultured Cells

T. Harada, E. Harada, R. Sakamoto, T. Ashitani, K. Fujita, K. Kuroda.....268

**The Effects of Silvicultural Thinning and *Lymantria dispar* L. Defoliation on Wood Volume Growth of *Quercus* spp.**

M. A. Fajvan, K. W. Gottschalk.....276

**Solanaceae Evolutionary Dynamics of the I2-NBS Domain**

M. Sara, S. Walter, C. Paola, M. Luigi, F. Luigi, E. M. Raffarella.....283

**Ethephon-Induced Abscission of “Redhaven” Peach**

A. Taheri, J. A. Cline, S. Jayasankar, P. K. Pauls.....295

---

The figure on the front cover is from the article published in American Journal of Plant Sciences, 2012, Vol. 3, No. 2, pp. 295-301 by Ali Taheri, *et al.*
