

Table of Contents

Volume 6 Number 1

January 2015

Physico-Chemical Analysis and Polarization Value Estimation of Raw Sugar from Refining Point of View Zia-ud-Din, G. Rasool.....	1
Essential Oil of <i>Phyllanthus reticulatus</i> Poiret from Nigeria A. L. Ogundajo, A. M. Aruna, A. O. Owolabi, I. A. Ogunwande, G. Flamini.....	6
Evaluation of Protein Concentration, Amino Acid Profile and Antinutritional Compounds in Hempseed Meal from Dioecious and Monoecious Varieties R. Russo, R. Reggiani.....	14
A Global Analysis of Temperature Effects on <i>Populus</i> Plantation Production Potential N. K. Kutsokon, S. Jose, E. Holzmueller.....	23
Insights into Ecological Effects of Invasive Plants on Soil Nitrogen Cycles C. Y. Wang, H. G. Xiao, J. Liu, L. Wang, D. L. Du.....	34
Morpho-Physiological Characterization of Glyphosate-Resistant and -Susceptible Horseweed (<i>Conyza canadensis</i>) Biotypes of US Midsouths V. K. Nandula, D. H. Poston, C. H. Koger, K. N. Reddy, K. R. Reddy.....	47
Effect of Salinity on Germination, Seedling Growth and Acid Phosphatase Activity in Lettuce N. Nasri, I. Saïdi, R. Kaddour, M. Lachaâl.....	57
Antioxidant Activities of Ethanoilc Extracts of <i>Spilanthes uliginosa</i>, <i>Ocimum basilicum</i>, <i>Hyptis spicigera</i> and <i>Cymbopogon citratus</i> against Swiss Mice Exposed to <i>Plasmodium berghei</i> Anka 65 K. N. Agbafor, A. J. Uraku, A. N. C. Okaka, U. A. Ibiam, P. M. Ajah, O. U. Obasi.....	64
A Comparison of the Growth and Asexual Reproduction by <i>Cryphonectria parasitica</i> Isolates Infected with Hypoviruses CHV3-County Line, CHV1-Euro7, and CHV1-Ep713 J. M. Bauman.....	73
Assessment of Some Biomarkers under Submergence Stress in Some Rice Cultivars Varying in Responses S. Banerjee, N. Dey, M. K. Adak.....	84
DNA Barcodes in Fig Cultivars (<i>Ficus carica</i> L.) Using ITS Regions of Ribosomal DNA, the <i>psbA-trnH</i> Spacer and the <i>matK</i> Coding Sequence C. Castro, A. Hernandez, L. Alvarado, D. Flores.....	95
Root Morphology and Anatomy of Field-Grown <i>Erianthus arundinaceus</i> F. Shiotsu, J. Abe, T. Doi, M. Gau, S. Morita.....	103

Construction of EST-SSR Databases for Effective Cultivar Identification and Their Applicability to Complement for Lettuce (<i>Lactuca sativa</i> L.) Distinctness Test	
J.-H. Hong, Y.-S. Kwon, R. K. Mishra, D. H. Kim.....	113
A Breakdown of Obligate Mutualism on a Small Island: An Interspecific Hybridization between Closely Related Fig Species (<i>Ficus pumila</i> and <i>Ficus thunbergii</i>) in Western Japan	
L. Tsai, H. Hayakawa, T. Fukuda, J. Yokoyama.....	126
Reference Genes for RT-qPCR Analysis of Environmentally and Developmentally Regulated Gene Expression in Alfalfa	
Y. Castonguay, J. Michaud, M.-P. Dubé.....	132
Phosphorous and Foliar Applied Nitrogen Improved Productivity and Quality of Potato	
R. W. K. Qadri, I. Khan, M. M. Jahangir, U. Ashraf, G. Samin, A. Anwer, M. Adnan, M. Bashir.....	144
Influence of Heavy Metals on Seed Germination and Early Seedling Growth in <i>Crambe abyssinica</i>, a Potential Industrial Oil Crop for Phytoremediation	
J. Hu, Z. H. Deng, B. Wang, Y. Zhi, B. X. Pei, G. Y. Zhang, M. D. Luo, B. L. Huang, W. H. Wu, B. Q. Huang.....	150
Direct Organogenesis from Cotyledonary Node Explants of <i>Cucurbita pepo</i> (L.)—An Important Zucchini Type Vegetable Crop	
M. Mookkan.....	157
Morphology, Morphogenesis and Production of Tanzânia Grass, Submitted to Either Fixed or Variable Resting Period	
A. C. Neto, J. F. C. da Silva, F. Deresz, A. M. Fernandes, B. B. Deminicus, I. R. Haddade, T. L. Rosado.....	163
Cryopreservation of Seeds and Embryos of <i>Jatropha curcas</i> L.	
J. A. Prada, M. E. Aguilar, A. Abdelnour-Esquivel, F. Engelmann.....	172
Decrease in Lysine and Tryptophan Content in S₂ Inbred Lines from a Quality Protein Maize (QPM) Variety in a Breeding Program	
K. Nkongolo, K. Mbuya.....	181
Photoperiod and Nitrogen Supply Limit the Scope of Northward Migration and Seed Transfer of Black Spruce in a Future Climate Associated with Doubled Atmospheric CO₂ Concentration	
J. L. Li, Q.-L. Dang, R. Z. Man.....	189
Effect of Extraction Methods on the Active Compounds and Antioxidant Properties of Ethanolic Extracts of <i>Echinacea purpurea</i> Flower	
Y.-L. Chen, J.-M. Sung, S.-D. Lin.....	201
Late-Season Grass Weed Management with In-Crop and Post-Harvest Herbicides in Twin-Row Glyphosate-Resistant Soybean	
K. N. Reddy, C. T. Bryson, V. K. Nandula.....	213

**Preliminary Investigation on Flowering and Fruiting Pattern in a Plantation Grown
Azelia africana Sm Stand in Umuahia, Nigeria**

J. O. Ariwaodo, J. L. Harry-Asobara.....219

**Photochemical Efficiency during the Establishment and Consolidation Phases of *in Vitro*
Pinus radiata Micrograft Made from Scions of Different Ontogenetic Age**

M. E. Materán, P. L. Sáez, M. Sánchez-Olate, L. A. Bravo, R. Rodríguez, D. Ríos, R. E. Coopman.....228

**Effect of the Ethanolic Extract of *Khaya senegalensis* on Some Biochemical Parameters on
Rabbit's in Glucose Overload Condition**

E. Agossou, M. Ahokpe, J. Behanzin, M. Takin, G. Yessoufou, L. Zohoun, L. Baba-Moussa, A. Sezan.....240

Active Management of Plant Canopy Temperature as a Tool for Modifying Plant Metabolic Activity

J. R. Mahan, J. J. Burke.....249

A New Species of *Ehretia*, *Ehretia retroserrata* in Nujiang County, Yunnan Province, China

S. Y. Yang, F. Du, R. N. Li, D. Zhou, Z. Q. Hou.....260
