

Table of Contents

Volume 5 Number 11

September 2014

Genetic Dissection of Pre-Flowering Growth and Development in *Sorghum bicolor* L. Moench under Well-Watered and Drought Stress Conditions

N. Phuong, G. Afolayan, M. El Soda, H. Stützel, W. Wenzel, R. Uptmoor.....923

Cadmium (Cd) Removal from Saline Water by *Veronica anagallis* and *Epilobium laxum* Plants in Hydroponic System

F. Hadi, A. Ahmad, N. Ali.....935

Introduction of Fertigation in Sugarcane Production for Optimization of Water and Fertilizers Use

D. M. Abdel Wahab.....945

Competency Improvement Needs of Farmers in Soil Erosion Prevention and Control for Enhancing Crop Production: Case Study of Kogi State, Nigeria

F. M. Onu, A. Mohammed.....958

Validation of a SPME-GC Method for Azoxystrobin and Pyraclostrobin in Blueberries, and Their Degradation Kinetics

M. S. Munitz, S. L. Resnik, M. I. T. Montti, S. Visciglio.....964

Effect of Copper, Zinc, Cadmium and Chromium in the Growth of Crambe

G. A. Tito, L. H. G. Chaves, J. D. Fernandes, D. R. Monteiro, A. C. F. de Vasconcelos.....975

Potassium Fertilization and Physiological Soybean Seed Quality

E. V. Zambiazzi, A. T. Bruzi, M. L. M. de Carvalho, I. O. Soares, A. M. Zuffo,
P. M. de Rezende, D. H. Miranda.....984

Diagnosis of Premature Senescence of Cotton Using SPAD Value

P. C. Li, H. L. Dong, A. Z. Liu, J. R. Liu, M. Sun, G. P. Wang, S. P. Zhang, Y. B. Li, S. C. Mao.....992

Effect of Varying Temperature Regime on Phyllochron in Four Warm-Season Pasture Grasses

P. W. Bartholomew.....1000

Tolerance of Maize (*Zea mays* L.) and Soybean [*Glycine max* (L.) Merr.] to Late Applications of Postemergence Herbicides

K. J. Mahoney, R. E. Nurse, P. H. Sikkema.....1007

Antimicrobial Potential and Phytochemical Content of Six Diverse Sources of Quinoa Seeds (*Chenopodium quinoa* Willd.)

M. Miranda, J. Delatorre-Herrera, A. Vega-Gálvez, E. Jorquera, I. Quispe-Fuentes, E. A. Martínez.....1015

Feasibility of a New Granular Rapid Release Elemental S Fertilizer in Preventing S Deficiency of Canola on a S-Deficient Soil

S. S. Malhi, C. L. Vera, S. A. Brandt.....1025

Foliar Application of Calcium and Molybdenum in Common Bean Plants: Yield and Seed Physiological Potential

D. S. Costa, R. M. Barbosa, J. S. Oliveira, M. E. Sa.....1037

Comparative Effects of Cocoa Pod Husk and Oil Palm Bunch Ash on Nutrient Uptake, Growth and Dry Matter Yield of Cocoa (*Theobroma cacao*) in Ibadan, Southwest Nigeria

O. S. O. Akanbi, A. O. Famaye, O. O. Olaniyi, R. R. Ipinmoroti, C. I. Iloyanonmon,
B. A. Nduka, S. A. Adeosun.....1046

Evaluation of 2,4-D Amine, Glyphosate, 2,4-D Amine plus Glyphosate DMA and 2,4-D Choline/Glyphosate DMA for Their Efficacy on Glyphosate Susceptible and Resistant Canada Fleabane Populations

L. Ford, N. Soltani, D. E. Robinson, R. E. Nurse, A. McFadden, P. H. Sikkema.....1053

Comparison of Soil Quality Improvement under Different Fallow Types on Dystric Nitosols Derived from Sand Stone in South Western Nigeria

O. T. Ande, B. A. Senjobi.....1061

Supply Response Analysis of Rice Growers in District Gujranwala, Pakistan

S. Junaid, A. Ullah, S. F. Zheng, S. N. M. Shah, S. Ali, M. Khan.....1069
