Volume 6 Number 10

October 2015

Soil Agricultural Potential in Four Common Andean Land Use Types in the Highlands of Southern Ecuador as Revealed by a Corn Bioassay	
G. Chacón, D. Gagnon, D. Paré.....	1129
Influence of Different Nitrogen Sources on the Growth and Yield of Three Varieties of Okra (<i>Abelmoschus esculentus</i>) in Kabba, Kogi State, Nigeria	
S. K. Ogundare, F. D. Owa, O. O. Etukudo, N. K. Ibitoye-Ayeni.....	1141
Response of Two Inexpensive Commercially Produced Soil Moisture Sensors to Changes in Water Content and Soil Texture	
T. B. Raper, C. G. Henry, L. Espinoza, M. Ismanov, D. M. Oosterhuis.....	1148
An Analysis of the Effectiveness Farmer Field School (FFS) Approach in Sustainable Rural Livelihood (SRL): The Experience of Punjab-Pakistan	
T. M. Butt, Q. J. Gao, M. Z. Y. Hussan.....	1164
Integrated Soil Fertility Management: Impact of <i>Mucuna</i> and <i>Tithonia</i> Biomass on Tomato (<i>Lycopersicon esculentum</i> L.) Performance in Smallholder Farming Systems	
C. Ngosong, P. M. Mfombep, A. C. Njume, A. S. Tening.....	1176
Effect of Cultivar, Irrigation and Nitrogen Fertilization on Chickpea (<i>Cicer arietinum</i> L.) Productivity	
K. Dhima, I. Vasilakoglou, S. Stefanou, I. Eleftherohorinos.....	1187
Phomalactone as the Active Constituent against Mosquitoes from <i>Nigrospora spherica</i>	
K. M. Meepagala, J. J. Becnel, A. S. Estep.....	1195
Advances in Industrialized Rice Production Research	
J. Ma, R. C. Ma, W. X. Wu, X. L. Lei, W. Gou.....	1202
Variability and Synchronism of Leaf Appearance and Leaf Elongation Rates of Eleven Contrasting Rice Genotypes	
R. B. Egle, A. J. Domingo, C. Bueno, A. C. Laurena, E. A. Aguilar, P. S. Cruz, B. Clerget.....	1207
Spring Wheat Response to Disease Control and Subsurface Drainage Management in the Red River of the North Valley, USA	
G. H. Mehring, H. J. Kandel, J. K. Ransom, A. Schoch, D. D. Steele.....	1220
Seed Size Effects on Early Seedling Growth and Response to Applied Nitrogen in Annual Ryegrass (<i>Lolium multiflorum</i> L.)	
P. W. Bartholomew.....	1232

Microbial Attributes of Infested Soil Suppressive to Bacterial Wilt by Bokashi Amendments

M. R. Fontenelle, C. A. Lopes, C. E. P. Lima, D. C. Soares, L. R. B. Silva, D. B. Zandonadi,
R. B. Souza, A. W. Moita.....1239

Winter Runoff of Nitrogen and Phosphorus from a Rotational Pen Design with Suckler Cows

E. Salomon, H. Aronsson, G. Torstensson, B. Ulén.....1248

The Biological Pigments in Plants Physiology

A. S. Herrera.....1262

Participatory Evaluation of Productivity, Fertility Management, and Dissemination of Irrigated Exotic Vegetables in the Sahel, West Africa

H. Omae, A. K. Saidou, K. Osuga, H. Dan, S. Tobita.....1272

Pb-Stress Induced Oxidative Stress Caused Alterations in Antioxidant Efficacy in Two Groundnut (*Arachis hypogaea* L.) Cultivars

A. Nareshkumar, G. V. Nagamallaiah, M. Pandurangaiah, K. Kiranmai, V. Amaranathareddy,
U. Lokesh, B. Venkatesh, C. Sudhakar.....1283
