<b>Antimicrobial Effect of Honey from the Arabian Gulf Region against Bacterial Isolates from Pus and Wound Swabs</b>	
N. Dash, D. Panigrahi, M. Al-Zarouni.....	745
<b>Sensitivity of Planktonic Aquatic Bacteria to Ciprofloxacin</b>	
B. Verma, D. Verma.....	753
<b>Antagonistic Effect of Bacteria Isolated from the Digestive Tract of <i>Lutzomyia evansi</i> against Promastigotes of <i>Leishmania infantum</i>, Antimicrobial Activities and Susceptibility to Antibiotics</b>	
R. J. V. Gómez, G. E. C. Restrepo, C. X. M. Herrera, V. Ospina, S. I. Uribe, S. M. Robledo.....	760
<b>Broad-Spectrum Antibacterial Characteristics of Four Novel Borate-Based Bioactive Glasses</b>	
M. Ottomeyer, A. Mohammadkah, D. Day, D. Westenberg.....	776
<b>Combined Use of NMR, LC-ESI-MS and Antifungal Tests for Rapid Detection of Bioactive Lipopeptides Produced by <i>Bacillus</i></b>	
M. Silva, A. Pereira, D. Teixeira, A. Candeias, A. T. Caldeira.....	788

---

The figure on the front cover is from the article published in Advances in Microbiology, 2016, Vol. 6, No. 10, pp. 760-775 by Rafael J. Vivero Gómez, Gloria E. Cadavid Restrepo, Claudia X. Moreno Herrera, Victoria Ospina, Sandra I. Uribe, Sara M. Robledo.
