Subject Coverage

This journal invites original research and review papers that address the following issues in creative education. The topics to be covered by Creative Education include, but are not limited to:

Academic Advising and Counseling
Art Education
Blog Culture and Its Impact on Education
Business Education
Collaborative and Group Learning
Curriculum Development
Development of Learning Environment
Early Childhood Education
Education Administration
Educational Psychology
Education Policy and Leadership
E-Learning and Knowledge Management
Elementary Education
Health Education
Higher Education

Innovative Pedagogical Models
Language Education
Learning Systems Platforms
Mathematics Education
Music Education
Quality Management of E-Learning
Reading Skill Education
Secondary Education
Science Education
Special Education
Tasks and Problem-Solving Processes
Teaching and Learning Technologies
Web-Based Learning Platforms
Other Areas of Education

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the CE.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
