Call for Papers

Special Issue on Clinical Respiratory Medicine

Journal of Case Reports in Clinical Medicine (CRCM, ISSN Online: 2325-7083)

Detailed information about this journal: [Indexing](#), [Aims & Scope](#), [Editorial Board](#), [Author's Guidelines](#)

Clinical respiratory medicine deals with diseases involving the respiratory tract, such as pneumonia, asthma, tuberculosis, emphysema, and complicated chest infections.

We sincerely welcome scholar and expert with relative academic backgrounds to submit original research paper or review paper to this special issue on **Clinical Respiratory Medicine**. Potential topics or areas include, but are not limited to:

- Bronchoscopy examination
- Pulmonary tuberculosis
- Clinical pathology and asthma
- Pulmonary hypertension
- Chronic respiratory diseases
- Occupational pulmonary disease
- Respiratory failure
- Chronic obstructive pulmonary disease
- Smoking related respiratory diseases
- Obstructive sleep apnea syndrome
- Airway inflammation

Submission Methods:

Submit a paper to this special issue or regular issue of our any journal via [Paper Submission System](#) or attach paper in an email sent to submission.entrance1@scirp.org (please indicate the name of our journal or special issue; any inquiry is also welcome).

Friendly tip: please bookmark this page in your web browser if you consider contributing to our journal or special issue in the near future.
