Volume 7    Number 5

May 2016

<b>Geodetic Datum Transformation Parameters towards WGS84 Applicable to the 1/50k Topographical Map (1981) of Burundi</b>	
J. Lavreau.....	631
<b>Residual Magnetic Anomalies Mapping from CHAMP Observations</b>	
M. C. Berguig, S. Bouraoui, Y. Cohen.....	637
<b>Impact of Tropospheric Delay Gradients on Total Tropospheric Delay and Precise Point Positioning</b>	
M. Elsobeiey, M. El-Diasty.....	645
<b>Preliminary Report on Early Settlements and Archaeological Materials from Lindi Rural District, Lindi Region, Southeastern Tanzania</b>	
C. B. Saanane.....	655
<b>Study on the Seismogenic Mechanism of the Earthquake Mw6.9 in 2014 in the Aegean Sea Seismic Cone</b>	
L. J. Chen.....	669
<b>Tarkwaian Deposits of the Birimian Belt of Houndé: Petrological, Structural and Geochemical Study (Burkina-Faso, West Africa)</b>	
Y. H. Koffi, U. Wenmenga, S. C. Djro.....	685
<b>Geostatistical Analysis of the Colorada and Quimichule Canyons Located in Popocatépetl Volcano (Mexico) for the Prevention of Natural Disasters</b>	
R. Ramos-Aguilar, P. Máximo-Romero, B. S. Soto-Cruz, S. Alcántara-Iniesta, M. de la C. Vázquez-García.....	701
<b>Protective Capacity Assessment of Vadose Zone Material by Geo-Electrical Method: A Case Study of Pakistan</b>	
Y. Hussain, S. F. Ullah, M. B. Hussain, H. Martinez-Carvajal, A. Q. Aslam.....	716
<b>Multi-Resolution Landslide Susceptibility Analysis Using a DEM and Random Forest</b>	
U. Paudel, T. Oguchi, Y. Hayakawa.....	726

**Geophysical and Hydrological Investigations of the Northern Wadis Area of Azraq Basin for Groundwater Artificial Recharge Purposes**

H. Al-Amoush, A. R. Al-Shabeeb, S. Al-Ayyash, R. Al-Adamat, M. Ibrahim,  
A. Al-Fugara, J. A. Rajab.....744

**Cold Seeps Associated with Structured Benthic Communities: More Accurate Identification and Evaluation Using a New Multibeam Survey Methodology in the Offshore Southern Colombian Caribbean**

A. Digby, V. Puentes, J. León.....761

**Physico-Chemical and Petrographic Characterization of Carbonated Rocks of Mintom (South-Cameroon) and Their Potential Uses**

Z. Z. Philémon, M. H. Grelle, S. A. Philippe.....775
