Open Access

The original online version of this article (Mandal, A. and Voutchkov, M. (2011) Heavy Metals in Soils around the Cement Factory in Rockfort, Kingston, Jamaica. *International Journal of Geosciences*, 2, 48-54. <http://dx.doi.org/10.4236/ijg.2011.21005>) as mentioned above was published as a two-author paper mistakenly. To reflect the contribution and responsibility of the third and fourth author as well as the affiliations of the authors at the time of the study, we revised authorship, author affiliations and acknowledgements of the article. The authors wish to correct the errors to:

A. Mandal^{1*}, M. Madourie¹, R. Maharagh¹, M. Voutchkov²

¹Department of Geography and Geology, University of West Indies, Mona, Jamaica

²Department of Physics, University of West Indies, Mona, Jamaica

Email: mandalarpitaster@gmail.com

4. Acknowledgements

The authors greatly acknowledge the services offered by the International Center for Nuclear Science, University of the West Indies, Mona Campus, Department of Chemistry at The University of the West Indies, Mona Campus, Mona GeoInformatics Institute and Mines and Geology Division, Ministry of Energy, Mining & Telecommunication, in sample analysis and production of the map of the cement factory showing sites of sample collection. Acknowledgments are also due to the New Initiative Programme of The University of the West Indies, Mona Campus, Kingston, Jamaica which helped in securing the “New Initiative Grant” by A. Mandal for conducting the research.
