

Special Issue on Hair Treatments and Restoration

Call for Papers

Hair Treatments and Restoration" which includes: hair loss, transplants, hair skin therapy, follicular transplantation, surgical hair restoration, molecular research and treatment for hair loss, alopecia origins, diagnosis and treatments.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Hair Treatments and Restoration**.

Authors should read over the journal's [Author's Guidelines](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at [Paper Submission System](#).

Please kindly notice that the "Special Issue" under your manuscript title is supposed to be specified and the research field "Special Issue — **Hair Treatments and Restoration**" should be chosen during your submission.

According to the following timetable:

Submission Deadline	July 18th, 2013
Publication Date	September 2013

Guest Editor:

Prof. **Jane M. Grants-Kels**

University of Connecticut Health Center, USA
