Open Journal of Accounting (OJAacct) is an international journal dedicated to the latest advancement of all areas of accounting. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of accounting.

Subject Coverage

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers including but not limited to the following fields:

- Accountability and Performance in the Public and Private Sectors
- Accounting Change in Transitional and Developing Economies
- Accounting for E-Business/E-Commerce
- Accounting Internationalization
- Auditing and Value for Money (or Performance Management) Audits
- Change in Accounting and Management Education
- Changes in Corporate Communication
- Computerised Accounting Information Systems
- Corporate Failure and Auditing Change
- Corporate Governance, Disclosure, and Accountability
- Customer-Oriented Accounting and Profitability Analysis
- Development Economy and Accounting Policy Choice
- Environmental Accounting Reporting
- International Interaction and Boundaries of Accounting
- Lease Accounting
- Marketing for Accountants in a Changed Business Environment
- Multinational Organizational Change (International Comparisons)
- Network Accounting
- Public Sector Reform and Accounting Change
- Social Security Fund Accounting Management
- Technological Advances and Accounting Change
- The Construction of Accounting Information Security System
- The Distortion of Accounting Information
- The Interface between Industrial Relations and Accounting
- Traditional Accounting
- Triple Bottom Line Reporting and Social Accountability Issues

We are also interested in: 1) Short Reports – 2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book Reviews – Comments and critiques.

What is SCIRP?

Scientific Research Publishing (SCIRP) is one of the largest Open Access journal publishers. It is currently publishing more than 200 open access, online, peer-reviewed journals covering a wide range of academic disciplines. SCIRP serves the worldwide academic communities and contributes to the progress and application of science, by delivering superior scientific publications and scientific information solution provider that enable advancement in scientific research.

What is Open Access?

All original research papers published by SCIRP are made freely and permanently accessible online immediately upon publication. To be able to provide open access journals, SCIRP defrays operation costs from authors and subscription charges only for its printed version. Open access publishing allows an immediate, world-wide, barrier-free, open access to the full text of research papers, which is in the best interests of the scientific community.

- High visibility for maximum global exposure with open access publishing model
- Rigorous peer review of research papers
- Prompt faster publication with less cost
- Guaranteed targeted, multidisciplinary audience
