

Table of Contents

Volume 4 Number 1

January 2015

Following Inhibition of BCL-2 by Antisense Oligonucleotides Compensatory Suppression of Apoptosis Involves the Direct Signal Transduction Pathway of LNCaP Cells

M. Rubenstein, C. M. P. Hollowell, P. Guinan.....1

Induction of Apoptosis in the Human Prostate Cancer Cell Line DU-145 by a Novel Micronutrient Formulation

M. W. Roomi, N. Shanker, A. Niedzwiecki, M. Rath.....11

Kinetic Monte Carlo Study of the Type 1/ Type 2 Choice in Apoptosis Elucidates Selective Killing of Cancer Cells under Death Ligand Induction

S. Raychaudhuri.....22
