Special Issue on Functional Linguistics and Psycholinguistics

Call for Papers

The basic function of language is communication tool. In order to better understand the language, it is necessary to analyze and understand the structure of the language using the characteristics of the function. The goal of this special issue is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in the area of **Functional Linguistics and Psycholinguistics.**

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Functional Linguistics and Psycholinguistics**. Potential topics include, but are not limited to:

- Language and communication
- Statistical linguistics
- Psychological linguistics
- Translation and language functions
- System-functional linguistics
- Programming language
- Cognitive linguistics
- Discourse analysis

Authors should read over the journal's For Authors carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's Paper Submission System.

Please kindly specify the "**Special Issue**" under your manuscript title. The research field "**Special Issue - *Functional Linguistics and Psycholinguistics***" should be selected during your submission.

Special Issue Timetable:

Submission Deadline	July 20th, 2021
Publication Date	September 2021
