January 2016

Effect of Molecular Weight and Molecular Distribution on Skin Structure and Shear Strength Distribution near the Surface of Thin-Wall Injection Molded Polypropylene K. Maeda, K. Yamada, K. Yamada, M. Kotaki, H. Nishimura.....	1
Biodegradable Colour Polymeric Film (Starch-Chitosan) Development: Characterization for Packaging Materials M. Z. I. Mollah, N. Akter, F. B. Quader, S. Sultana, R. A. Khan.....	11
Temperature-Frequency Characteristics of Dielectric Properties of Compositions LDPE + xvol%Bi₂Te₃ E. M. Gojayev, A. Y. Ismailova, S. I. Mammadova, G. S. Djafarova.....	25
Characterization of Electrochromic Properties of Polyaniline Thin Films Electropolymerized in H₂SO₄ Solution D. H. Ninh, T. T. Thao, P. D. Long, N. N. Dinh.....	30
Synthesis and Properties of Chiral Polyurethane Elastomers Using Tartaric Acids K. Kizuka, S.-I. Inoue.....	38
Enhancing Mar and Abrasion Resistance of Acrylic Hard Coatings with Soft Base Layer P. Chouwatat, M. Kotaki, A. Yokohama.....	53
