

Special Issue on Cosmetic Dentistry

Call for Papers

Cosmetic dentistry is concerned with the appearance of a person's teeth, gums and/or bite. It primarily focuses on improvement of dental aesthetics in color, position, shape, size, alignment and overall smile appearance.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on exploring **Cosmetic Dentistry**. Potential topics include, but are not limited to:

- Bite reclamation
- Composite bonding
- Cosmetic gum surgery
- Dental bridges
- Dental implants
- Inlays & onlays
- Invisalign treatment
- Porcelain & composite veneers
- Porcelain crowns
- Teeth whitening

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue - Cosmetic Dentistry**” should be selected during your submission.

Special Issue Timetable:

Submission Deadline	February 28th, 2017
Publication Date	April 2017
