## Psychology (PSYCH)

ISSN Print: 2152-7180 ISSN Online: 2152-7199

<http://www.scirp.org/journal/psych>

**PSYCH** is an international refereed journal dedicated to the latest advancement of Psychology. The goal of this journal is to keep a record of the state-of-the-art research and promote the research work in these fast moving areas.

### *Editor-in-Chief*

**Dr. Martin Drapeau** McGill University, Canada

### *Subject Coverage*

This journal invites original research and review papers that address the following issues in Psychology. Topics of interest include, but are not limited to:

Biological Basis of Behavior	Health Psychology
Cognitive Psychology	Professional Practice
Clinical Psychology	Psychological Assessment and Evaluation
Counseling Psychology	Psychotherapy
Economic Psychology	School Psychology
Environmental Psychology	Social Psychology
Ethics in Psychology	Sport Psychology
Gerontology	Work, Industrial and Organizational Psychology

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the **PSYCH**.

### *Notes for Intending Authors*

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
