Call for Papers

Psychology (PSYCH)

ISSN Print: 2152-7180 ISSN Online: 2152-7199

<http://www.scirp.org/journal/psych>

PSYCH is an international refereed journal dedicated to the latest advancement of Psychology. The goal of this journal is to keep a record of the state-of-the-art research and promote the research work in these fast moving areas.

Subject Coverage

This journal invites original research and review papers that address the following issues in Psychology. Topics of interest include, but are not limited to:

Behavioral Psychology	Military Psychology
Biological Basis of Behavior	National Psychology
Clinical Psychology	Neuropsychology
Cognitive Psychology	Political Psychology
Counseling Psychology	Professional Practice
Cultural Psychology	Psychological Assessment and Evaluation
Economic Psychology	Psychology of Art
Educational Psychology	Psychology of Religion
Engineering Psychology	Psychotherapy
Environmental Psychology	Safety Psychology
Ethics in Psychology	School Psychology
Family Psychology and Couples Psychology	Scientific Psychology
Forensic Psychology	Social Psychology
Gerontology	Sport Psychology
Health Psychology	Traffic Psychology
Intelligence Psychology	Work, Industrial and Organizational Psychology
Managerial and Leadership Psychology	Others

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the **PSYCH**.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
