

TABLE OF CONTENTS

Volume 3, Number 1A, March 2013

Cardiac remodeling in postischemic end-stage human hearts: Involvement of extracellular matrix and angiogenesis-related molecules

L. Postiglione, L. De Santo, G. Di Spigna, C. Castaldo, G. Guerra, P. Ladogana, A. Arcucci, D. Calabrese, B. Covelli, S. Vitale, V. Mele, S. Montagnani.....91

Surgical treatment for functional mitral regurgitation secondary to dilated cardiomyopathy: Current options and future trends

F. Nicolini, F. Maestri, A. Agostinelli, A. Molardi, F. Benassi, A. Galligani, T. Gherli.....100

The complexity of prognosis communication in heart failure: Patient and cardiologists' preferences in the outpatient clinical setting

P. H. Strachan, H. M. Arthur, C. Demers, R. J. Robson.....108

Gadolinium enhanced MRI in patients with left ventricular apical ballooning syndrome implicates myocarditis as an etiology

A. O. Maree, C. Witzke, G. Holmvang, G. D. Lewis, H. Jneid, L. B. Reardon, N. Afridi, M. J. Semigran, G. W. Dec, H. C. Lowe, I. F. Palacios.....118

Interval exercise training improves tissue oxygenation in patients with chronic heart failure

I. Vasileiadis, M. Kravari, J. Terrovitis, V. Gerovasili, S. Drakos, A. Ntaliannis, S. Dimopoulos, M. Anastasiou-Nana, S. Nanas.....126

The pathophysiology of AHF—New insights from recent studies of novel diuretics and vascular modulating therapies

G. Cotter, O. Milo, B. Davison.....133

Comparative analysis of the quality of life of heart failure patients in South Western Nigeria

A. C. Mbakwem, F. O. Aina, C. E. Amadi, A. A. Akinbode, J. Mokwunyei.....146

Confusing aspects of arrhythmogenic right ventricular dysplasia: Current clinical view

M. Z. Ulucam.....154

Discharge heart rate and future events among Japanese patients with acute heart failure receiving beta-blocker therapy

K. Oshima, S. Kohsaka, K. Koide, Y. Nagatomo, T. Nagai, Y. Endo, T. Yoshikawa, K. Fukuda.....159

Clinical evidence of traditional Chinese medicine for the prevention and treatment of chronic heart failure

S. Zhang, J. Y. Wang, H. C. Shang.....168

Comparative study of quality of life after hospital-at-home or in-patient admission for acute decompensation of chronic heart failure

A. García-Soletto, N. Parraza-Diez, F. Aizpuru-Barandiaran, F. Aros-Borau, H. M.-R. de Zuazu, M. J. Martín-Gudino, J. R. de los Cobos.....174
