Volume 10 Number 2

May 2022

Automobile Crash Investigation Based on Vehicle System Related Causes: Systematic Literature Review

A. T. Achiri, I. N. Mbue, A. Merlin, A. Gerard.....139

Improvement of the Algorithm for Computing Adjusted Structure Number for Determination of Backlog Maintenance

N. Vitalis, M. Ephather.....158

The Disk-Magnet Electromagnetic Induction Applied to Thermoelectric Energy Conversions

H. Uechi, S. T. Uechi.....179

Research on Interface Management of General Contracting Projects

X. H. Zheng.....194

Monte Carlo Modeling and Verification of 6 MV Linear Accelerator

S. X. Lu, H. J. Deng.....213

Net Present Value Method: A Method Recommended by ISO 15686-5 for Economic Evaluation of Building Life Cycle Costs

H. Xie, Q. Cui, Y. Li.....224

Analysis of Factors Affecting Sealing Performance of Subsea Wellhead Connector

L. L. Ding, M. Xian.....230

Laser Beam Welding of 600 MPa Quenched and Tempered High-Strength Steel

P. E. Marozva, B. R. Mose, A.-M. El-Batahgy, T. O. Mbuya.....241

Research on Water Sensitivity and Velocity Sensitivity of Loose Sandstone Reservoir in China Offshore Oilfield

D. F. Yu, M. Long, Y. J. Wang, Q. Huang, J. L. Li.....254

Preliminary Study to Show the Effect of Building Envelope Materials on Thermal Comfort of Buildings Located in Hot Humid Climate

R. M. Omar, S. F. K. Rehumaan.....264

Spatial Configuration of Traditional Dwellings in Riyadh Al-Khabra Traditional Town, Saudi Arabia

M. M. Al-Harbi, N. Al-Ansi, M. Alrubayan.....272

Understanding the Traditional Saudi Built Environment: The Phenomenon of Dynamic Core Concept and Forms	
M. M. Alnaim.....	292
The Role of Open Space in Human Settlement Development in the Tamale Metropolis of Northern Ghana	
M. Shaibu, D. K. Donkor.....	322
A Generalized Non-Linear Flow Law Based on Modified Zerilli-Armstrong Model and Its Implementation into Abaqus/Explicit FEM Code	
P. Tize Mha, A. Tongne, O. Pantalé.....	334
Aspects of the Powder in Metal Additive Manufacturing: A Review	
G. Lewis.....	363
An Ensemble Learning Recommender System for Interactive Platforms	
B. Batchakui, B. T. Betru, D. A. Biyong, L. D. Tchuenkam.....	410
Mathematical Modelling of Operating Temperature Variations of Shell-and-Tube Heat Exchanger (10-E-01)	
R. I. Uzono, O. E. Ojong.....	422
Excel as an Educational Platform for Design Analyses of Fluid-Thermal Systems	
M. M. El-Awad, M. S. Al-Saidi.....	434
Machine Design Approach to Bone Waste Utilization in Slaughterhouses of Developing Countries with Focus on Nigeria	
A. J. Oyejide, S. O. Adetola, A. Lawal.....	444
Consumer Acceptance and Physicochemical Properties of Developed Carambola (<i>Averrhoa carambola</i>) Candy	
M. J. Akhter, M. M. Hosain, M. A. Halim, M. Prabin, S. Parvin, A. Siddika, F. Noor, M. Al-Amin.....	458
