The original online version of this article (Bibek Baran Nag (2021) An Elementary Proof of Fermat’s Last Theorem for Epsilons, Volume 11(8), 735-740 doi: <https://doi.org/10.4236/apm.2021.118048>) unfortunately contains two typographical mistakes. The author wishes to correct the errors.

On page 738 on the last line preceding Equation (21), the inequalities should be written as $1 < h^n < h_1^n < b^n$ and $1 \leq k^n < k_1^n \leq c^n$.
